Budget

This includes adult and partner and dependants under 18 years of age on Income Support, Pension Guarantee Credit or Job Seekers Allowance (income based). Also individuals on Disability Living Allowance/ Attendance Allowance. These persons will be charged the "Budget" price.

All Inclusive

This allows unlimited use of all facilities and activities in the scheme during their normal opening hours for individuals or families (up to two adults and dependants under 18 living at the same address) committed to paying an all inclusive fee by direct debit for a minimum of one year. There are some restrictions to All Inclusive use detailed in the terms and conditions above.

Is a lack of money preventing you from doing some of the things you would like to?

You may be missing some of the opportunities that are open to you to lead as full and active a life as possible.

Many people: among them pensioners, lone parents, people who are sick or disabled, or even some working part-time on low income are missing out on money due to them in the shape of Income Support (also called Minimum Income Guarantee for older people). And even if you are entitled to only a very small amount of Income Support this can be worth a lot more. It makes you eligible for a range of other financial help e.g. help with school meals and health costs, access to leisure centres for 50p a visit, help with your housing costs in the form of mortgage payments or rent as well as council tax.

Any of these could make a big difference to you. So why not get your benefit entitlement checked? You can contact any of the organisations below for free, confidential assistance.

Income Support/Minimum Income Guarantee

The Highland Council would like to make sure that all of our customers are claiming the maximum amount of benefit possible. Carol Ross is the Council's Benefits Promotion Officer and she is available for advice/consultation by telephone (01463 703987) or by appointment.
